

## Dear Parents and Carers of Class 1/2B,

Our class has been allocated the Christmas Gingerbread House Making Event for 2017 and I need your help to make it a success!

Now, not to worry, there is not much involved. I have taken care of the event advertising and the pre-ordering of the gingerbread house kits and the lollies, and Lucy Ohlmus is taking care of the “magic” icing. We do **need help** although with the **setup** (including decorating the hall to create a festive atmosphere) and **pack-up** of the event, and of course families to participate!

The event has been scheduled on Thursday 30<sup>th</sup> November at 5.30pm, so we will need to start set up by at least 5.00pm. I am presuming that the event will run for about an hour (only guessing as I have not attended one of these before...), so hopefully we can be out the door by 7.00pm.

I am sure we can get some decorations from the school, but if anyone is able to bring a few decorations along to spruce up the hall, that would be great.

I have had 5 families put their hand up to help out so far (thank you!), but the more the merrier!

Please contact me on [josiedoman@hotmail.com](mailto:josiedoman@hotmail.com) or on 0417 464 283 if you can lend us a hand.

Cheers, Josie Lopez (Kira’s Mum)
