Student Cyber-Safety Education Session

Dear Parents/Carers,

During Week 8, students from Years 4/5/6 will be participating in the cyber-safety presentation 'ThinkUKnow.' This presentation will inform students on the importance of being a responsible digital citizen while explaining some of the dangers that exist in the online world.

To support the learning in this program, we ask that you speak with your child over the weekend about any concerns they may have about the online world.

If you require any further information, please feel free to contact me at timothy.stephens@cg.catholic.edu.au

Thank you for your support.

Timothy Stephens
School Coordinator
