Wednesday - 6 December	Graduation Dinner	Yr 5

To build a strong school and parish community, we require friendly faces, enthusiastic ideas and lots of hands on deck!

The Community Calendar is a great opportunity to meet new people and develop a closer relationship between your family and the school environment. There is plenty of support so don't feel you would be left to carry a big load. – It's actually heaps of fun!

Each class group has been allocated **one event** to host throughout the year. The Event and Fundraising Focus Group have collated instructions to assist with each event and can offer full support where necessary.

This allocation offers the opportunity to get to know your class families and get involved in the school community.

Please contact us on sjvcommunityevents@gmail.com to flag your interest in hosting your class event or drop us a hello to make suggestions or request!
