## Yr 5/6 Camp

Dear Parents,

Thank you for providing dietary and medical information so quickly. Please forward this information ASAP if you have not already done so.

### **Medications**

If your child is required to take any medication while they are away please provide us with the following information:

- Clearly labelled medication in a non-spill container – eg Plastic zip lock bag
- Exact administration and dosage
- Please provide any other information an adult may need
- If your child is an asthmatic they are required to carry their medication with them. Please provide the teacher with an asthma plan.

The teachers attending the Yr 5/6 Camp are Mr Tim Stephens, Mr Peter Rodda and Miss Hannah Ingram. The students will leave school at 9.30am on Monday 6<sup>th</sup> February and return at approximately 4.30pm on Wednesday 8<sup>th</sup> February. Up-to-date details will be posted on Skoolbag. Electronic devices and phones are not permitted on camp although students are more than welcome to bring a camera. If the only camera your child has access to is on a phone/iPad, they may bring that along with them on the provision that the device is handed in to a teacher at the end of the day.

### **Food**

Students are to bring a packed Morning tea and Lunch on the first day of camp. Catering for the camp begins with afternoon tea on the first day and ends with lunch on the last day. I advise Kianinny staff of any special dietary requirements in writing one week prior to camp. Last minute additions cannot be accepted as each group's catering requirements are pre- ordered.
