18 May 2018

Dear Parents/Carers of children in Years 2-6,

## University of New South Wales International Competitions and Assessments

The University of NSW annually runs academic competitions, testing primary aged children (Yrs 2-6) in a number of curriculum areas. These competitions are completed under standard test conditions and are a great way of helping prepare children for future NAPLAN and high school exams. After the tests are marked by UNSW, detailed results are shared with participants in written format.

St John Vianney's is offering your child the opportunity to sit either or both the English and Mathematics competitions during Term 3. Participation is purely voluntary.

The **English** Competition will be held on Tuesday 31 July (Week 2)

The cost for this competition is \$9.90

The **Maths** Competition will be held on Tuesday 14 August (Week 4)

The cost for this competition is \$9.90

If you would like your child to participate in any, or both of these competitions, please fill in the permission slip included with this letter. **Please return the form along with correct payment to school by 9am on Thursday 14 June.** Payment can also be made via the Qkr! App. **Entries sent in after this date will not be accepted.**

Yours Sincerely,

PP

*Nina De Rosa*

Nina De Rosa
