Dear Parents and Friends,

During the week, Father Brannelly and the Principals and Religious Education Coordinators from both parish schools attended a forum in Religious Education along with other Parish Priests, Religious Education Coordinators and Principals from across our Archdiocese. Mrs Eastick attended for part of the day and was a panel member for a Q&A session that explored the panel’s pilgrim experiences. The panel’s insights were much appreciated by the group listening to their stories.

The keynote addresses by Crichton Smith, from the NSW Catholic Education Commission, and Father Tony Percy, Vicar General, were very interesting as they explored the balance of Catholic and non-Catholic enrolments in our schools and the need for us to embrace the ‘new evangelisation’ and to welcome all who embrace the ethos and values of the Catholic faith. Three key elements for renewal were identified:

- **Community** – is this a community of love?
- **Preaching** – are we sharing the truth; the ‘Word’ of God?
- **Music** – are we living in harmony, peace and tranquillity?

These three elements were equated to **LOVE**, **TRUTH** and **BEAUTY**.

During the afternoon, workshops addressed the key issues related to this theme and identified by participants and explored ideas for overcoming obstacles to inclusion and participation in the life of the church. It was a very productive day that generated a lot of food for thought and some considerations for practical implementation.

**Trivia Night**

Next Friday night – 9th September – the Trivia Night will be held in our school hall starting at 6.30pm. I hope that we will see many people there on the night as this is a fundraiser for a couple of families in our school community who are suffering from the effects of cancer. The Community Council will cover all the costs associated with hosting the event so that we can share all proceeds equally between the families we are supporting. If you can donate prizes for the night, that would also be much appreciated. This is an opportunity to be an example to our children of how a Christian community comes together to support others. Please spread the word, come on your own or make up a table group. It’s BYO food and drinks for the night and it’s a great opportunity to have some fun with friends you know and the new ones you’ll make. We would love to have your company so contact the front office if you would like to join in the fun.

**Car parking and dismissal time rules**

Please remember to park in marked bays only on the blacktop area. The bays have been specifically measured to allow for smooth traffic flow. Cars that park outside of the bays restrict the flow of traffic and limit turning spaces. Please also remember that children are not permitted to walk into the car park to meet cars. They must be collected by an adult who comes into the dismissal space and then supervises them to the vehicle. Children are not permitted to wait for parents in any areas other than the terraced space inside the fence at dismissal time as other areas are not supervised by teachers.

In the afternoon, the drop-off zone is reserved for parents who have babies in the car. Drivers can pull up in the drop-off zone and remain in the car whilst the enrolled students signal the teacher on duty that their lift has arrived. The students may then walk around to the waiting vehicle. Please be considerate of others and only use the drop-off zone in the afternoon if you have little ones in the car with you.

Children are not permitted to play ball games or other games at dismissal time in the view of the waiting area even if their parents/carers have collected them. This is just like the rule we have about not playing on the equipment after school. If children start to play, it is not clear who is supervising them and safety is then a concern. As well, other students are attracted to play who should be with the teacher on supervision duty. This makes it very difficult for the supervising teacher to do their job effectively and compromises the safety of students. Please keep your child with you if you have collected them but are staying for any length of time.

**Important Dates:**

- **4 Sep**
  - Fathers’ Day

- **6 Sep**
  - First Eucharist
  - Family Formation
  - Evening 7pm
  - SJV Hall

- **7 Sep**
  - Great Book Swap
  - Mass 9.30am

**May God’s mercy towards us move us to be merciful towards our neighbours.**

Baby Congratulations

Congratulations to Hayden (Yr 3/4 St Patrick) who has a new baby brother, Liam Wright, who was born last week. Hayden is a very proud big brother and we wish Michelle, Nathan and Hayden every blessing for the future. Extra special happy fathers’ day wishes to Nathan this year!

I take this opportunity to wish all the dads, grandads and great-grandads all the very best for Fathers’ Day on Sunday. I sincerely hope you will be made a serious fuss of!

Fathers’ Day Reflection:

What is a Dad?

A dad is someone who wants to catch you before you fall but instead picks you up, brushes you off, and lets you try again.

A dad is someone who wants to keep you from making mistakes but instead lets you find your own way, even though his heart breaks in silence when you get hurt.

A dad is someone who holds you when you cry, scolds you when you break the rules, shines with pride when you succeed, and has faith in you even when you fail.

Opera Australia

Last week, Lara Cristofani, Ainsley Fisher and Tamara Brammall performed with Opera Australia as the village children chorus at the Canberra Theatre. The girls have been rehearsing with Opera Australia for the past few months and performed in “The Marriage of Figaro”. Their favourite songs were: ‘Dearest Lady’, ‘Bridesmaids’ and ‘To the Banquet’ and their favourite characters were the Countess & Cherubino. This was an exciting experience for the girls.

Congratulations

Congratulations to Jake and Josh Urbaniak who competed in the ACT Gymnastics State Titles last weekend. Jake successfully completed Level 2 and proudly came away with a gold medal! Josh finished second overall in Level 5. The boys were presented several medals and ribbons and can be justifiably proud of their achievements.

*I wish all Fathers a wonderful Fathers’ Day on Sunday.*

This weekend we celebrate two wonderful events. Fathers’ Day, the day when the significant men in our lives are celebrated for all that they do for us, and the Canonization of Blessed Teresa of Calcutta.

In her lifetime, Mother Teresa was an icon of God’s tender mercy, radiating the light of God’s love to so many through the works of mercy, both material and spiritual. From heaven she continues to fulfil her mission as she “lights the light of those in darkness on earth.” With her canonization, the Church presents her as a model and intercessor of those who, like her, “long to light the fire of love and peace throughout the world.” She can be taken as a patron saint especially for those who are most in need of God’s mercy.

The canonization will be held on 4 September this year in Rome during the Sunday Mass celebrated as part of the Jubilee for workers and volunteers of mercy. The date chosen for her canonization is the eve of the 19th anniversary of her death and the date previously established at the Vatican for the conclusion of the Year of Mercy pilgrimage of people like her who are engaged in works of mercy.

Fathers’ Day

The idea of celebrating Fathers’ Day Festival was given by Ms Sonora Dodd, a loving daughter from Spokane in America. Her father, Henry Jackson Smart, single-handedly raised Sonora and five of her siblings after the death of her mother during childbirth. When Sonora attended a Mothers’ Day Sermon in 1909, she thought that if there is the day to honour mother then there should also be a corresponding day to honour fathers. Sonora worked relentlessly for years to ensure that the idea of Fathers’ Day became a reality.

No matter how close or far away your dad is, they are one of the first to love and teach you the specialness of unconditional love. This Sunday is also a chance to celebrate those men in our lives who act like a fatherly figure. We particularly remember St Joseph, Jesus’ father on earth who guided Jesus through his childhood, loving him as his own son. This weekend, amongst all the celebrations and present giving, remember to say a prayer thanking God for all our Fathers and to God our Father for all he has given us.

God our Father,

in your wisdom and love you made all things.
Bless these men, that they may be strengthened as Christian fathers.
Let the example of their faith and love shine forth.
Grant that we, their sons and daughters, may honour them always with a spirit of profound respect.
Grant this through Christ our Lord

Amen

Have a good week!
